**Subject: IUGG Endorsement of the 1<sup>st</sup> Indonesian Geospatial Technology Exhibition**

With regard to your correspondence with Dr. Aksel Hansen, the International Union of Geodesy and Geophysics is pleased to endorse the 1<sup>st</sup> Indonesian Geospatial Technology Exhibition to be held in Jakarta from 23-27 August 2006.

We strongly support your mission to raise public awareness on geospatial data and technology, and especially applaud your efforts to include high school students.

As Dr. Hansen may have already explained, IUGG is not able to provide any financial assistance for this Exhibition, but we will support it by adding it to the Meetings Calendar on our website, and by including it in the IUGG E-Journal as the date of the Conference draws nearer. We wish great success to you on this 1<sup>st</sup> Exhibition.

Yours sincerely,

Jo Ann Joselyn, Ph.D.  
IUGG Secretary General
